The Mid Atlantic Fellowship of the Churches of Christ  
 11<sup>th</sup> Annual Unity Weekend Service  
 September 21, 2014

There is a growing fellowship among the Mid-Atlantic churches. This Forum was designed to serve as a tool to strengthen the fellowship and effectiveness of the congregations in the Washington, DC, Northern Virginia, Maryland, Delaware, and Eastern Pennsylvania areas. There is a monthly fellowship of preachers and leaders that consist of four components:

1. Workshops to provide valuable lessons and information to strengthen, encourage, and enhance the preacher's ability to minister at the congregation where he serves.
2. The opportunity to share information concerning congregational activities for effective regional calendars and better regional support.
3. The opportunity to accomplish large scale projects that reflect the Church of Christ in the Mid-Atlantic region as "many members yet one body". Some current projects are; The Area Wide Fellowship; Mid-Atlantic Lectureship; Northeast Baltimore Bible Institute & College; Mid-Atlantic Dinner Day (Christian Education Fund Raiser); Hosting the National Crusade for Christ.
4. The fourth component of the Mid-Atlantic Preachers Meeting is to provide preachers and leaders the opportunity to receive personal encouragement and build personal relationships with each other as Paul had with Timothy, or as Jesus had with Peter, James, and John.

I am confident they will find a warm welcome, encouraging words, an informative workshop, and brethren who love one another in the name of Jesus. I am also confident that if they come in the spirit of Christ, they will leave blessed and encouraged.
